

VENDOR POLICY

1. NABL will encourage qualified vendors to set up displays, sponsor events, etc. at NABL seminars.
2. Qualified vendors will generally be those whose product bears some reasonable nexus to the practice of municipal finance law, as distinguished from vendors whose products bear no relationship to our substantive area of practice.
3. The Chief Operating Officer, with input as appropriate from the Board, the Treasurer, the Chair of the Education Committee and the relative seminar chair, will be responsible for:
 - (a) Recruiting, identifying and screening qualified vendors,
 - (b) setting appropriate price schedules, and
 - (c) handling necessary logistical arrangements (e.g., signage, location, display format).

Adopted September 2005
