2024 Sponsorship Opportunities

Sponsors receive year-round recognition through our digital communications, conferences, newsletters, and on our website. Our e-publications and marketing emails have high open and clickthrough rates, which are above industry standard and provide you with great visibility with the public finance community.

During each major conference, sponsors receive recognition and acknowledgment with signage, printed pocket guide, and closing slide during each conference session. Gold Sponsors have an option for a table at each conference.

Your company logo, including a hyperlink to your website, will appear on the following:

- **Website**
- **Marketing emails for webinars and The Workshop.**
- **E-Newsletters**
- **Sponsorship slide at the end of each webinar and conference session**
- **On-demand webinars which are available for a year (last slide recognizes sponsors)**

“

NABL provides outstanding educational benefits and resources to its members. Our firm continues to be a proud sponsor of NABL because doing so has enabled us to maximize those resources all the while increasing our firm's national profile in the municipal marketplace.

Ice Miller LLP

Long-time Gold Sponsor

“

NABL has been the go-to resource for our public finance practice for decades. The community and education provided by NABL are highly valued by our whole team.”

McCarter & English, LLP

Long-time Bronze Sponsor

The NABL logo features a stylized '1' in green and blue, followed by the lowercase letters 'nabl' in a white, sans-serif font.

Tap Into **Opportunities** That Resonate with the Audience You Want to Reach
